Upcoming Projects

PROJECTS TO BE LAUNCHED IN 2025

Location: Bridgeport, CT

Project Name: The Rise Up of Dry Bones

Description: The Rise Up Dry Bones Project seeks to breathe new life into Bridgeport, transforming it into a place of renewal, and restoration through the power of God.

Location: Los Angeles, CA

Project Name: The Way to Hope

Description: Way to Hope Project, we aim to be the hands and feet of Christ, reaching those trapped in homelessness and drug addiction and guiding them toward a life of freedom, healing and restoration.

Location: Cambridge, MA

Project Name: Kingdom come in Business and Education

Description: The Kingdom Come in Business & Education project is a faith-driven initiative aimed at expanding the Kingdom of God in the marketplace and educational institutions in Cambridge, MA. This initiative seeks to create faith-based groups beyond the church to foster spiritual growth and revival in schools and corporate environments.

Project in Bridgeport CT

THE RISE UP OF DRY BONES PROJECT

The Rise Up of Dry Bones Project is a faith-based initiative focused on reviving the land, restoring hope, and transforming lives in Bridgeport, CT. Inspired by Ezekiel 37, this project aims to bring spiritual renewal and community restoration through four key phases:

1. **Preparation & Assessment**

- Evaluate the spiritual and social conditions of the community.
- Identify strongholds and areas in need of healing and transformation.

2. **Building Alliances & Partnerships**

- Establish relationships with churches, ministries, and organizations that serve the community.
- Unite key stakeholders to form a collaborative revival movement.

3. **Engaging with Local Authorities**

- Work with county officials and community leaders to propose initiatives for transformation.
- Advocate for policies and programs that support restoration and renewal.

4. **Outreach & Revival Events**

- Conduct outreaches in partnership with churches and ministries to bring hope and healing.
- Organize worship gatherings, revival services, and community prayer events to awaken faith and restore the land.

The Rise Up Dry Bones Project seeks to breathe new life into Bridgeport, transforming it into a place of renewal, and restoration through the power of God.

Project in Cambridge MA

KINGDOM COME IN BUSINESS & EDUCATION – CAMBRIDGE, MA

The Kingdom Come in Business & Education project is a faith-driven initiative aimed at expanding the Kingdom of God in the marketplace and educational institutions in Cambridge, MA. This initiative seeks to create faith-based groups beyond the church to foster spiritual growth and revival in schools and corporate environments.

Project Phases

1. Preparation & Assessment

- Evaluate the spiritual landscape of workplaces and schools in Cambridge.
- Identify key opportunities to engage business professionals, educators, and students.

2. Building Partnerships & Alliances

- Collaborate with local churches, Christian organizations, and business leaders.

3. Establishing faith-based Groups

- Launch faith-based gatherings in schools and corporate settings to provide a safe space for prayer, Gospel sharing, and community building.
- Equip believers in business and education to live out their faith and influence their spheres for the Kingdom of God.

The Way to Hope Project is a faith-driven initiative dedicated to bringing the Gospel of Christ to the to the homeless community in Skid Row and other areas in Los Angeles, CA—Skid Row: one of the most critical areas affected by homelessness, addiction, and despair. Through this initiative, we seek to reach, restore, and revive lives.

Project Phases

1. **Preparation & Assessment**

- Conduct a spiritual and social evaluation of Skid Row to understand the needs of the community.
- Train and equip outreach teams to engage effectively with individuals in crisis.

2. **Building Alliances & Partnerships**

- Collaborate with local churches, ministries, and organizations already serving the homeless population.

3. **Outreach & Church Services**

- Have weekly outreaches to share the Gospel, provide prayer, and distribute essential supplies.
- Establish a "No Walls" church service.

4. **Provide Support**

- Connect individuals with rehabilitation programs, shelters, and faith-based recovery centers.
- Provide ongoing support and discipleship to help them stay on the path to restoration.
